Half term contact information.

Dear Parents,

As we move towards the end of term, we are putting in place measures to help keep our community as safe as possible. We are aware that there has been an increase in the number of infections in Bristol and the country nationally. It is very important we all continue to follow the current guidelines, especially about showing symptoms.

If you have any of the main symptoms of coronavirus:

- *Get a test to check if you have coronavirus as soon as possible.*
- *Stay at home and do not have visitors until you get your test result – only leave your home to have a test.*
- *Anyone you live with, and anyone in your support bubble, must also stay at home until you get your result.*

We are doing our best to share the necessary information about Covid 19. If your child tests positive for Covid 19 we need to know as soon as possible. Please ring the office to tell us so we can take appropriate action. We have set up an emergency school number for you to contact us during the half term holiday. Please only call this number if your child tests positive for Covid 19 during the half term holiday. The number to contact us on from Saturday 24th October to Sunday 1st November is: 07407297692

I hope you all stay safe during the break and we look forward to welcoming you back to Cabot on Tuesday 3rd November.

Best wishes,
Tom Burton
Head Teacher

Attendance

All children, except for those with extremely vulnerable health conditions, or those who are unwell, are now expected to come back to school. Please let the school know straight away if your child will be absent from school for any reason.

Staffing

As you may know, **Miss Kondwani** is pregnant and expecting a baby in January. In line with Covid 19 guidance, Miss Kondwani will not be in school next term. However, she will be available to support us with work remotely and help children from across the school who need to self-isolate. I am sure you will join us with wishing Miss Kondwani well with the rest of her pregnancy.

Governors

The governing board is looking for another parent governor to help support the school to provide a fantastic education for your children. There will be 1 or 2 meetings with papers to read each term and it is really rewarding and interesting. If you are interested please speak to Mr Burton or email the Chair at chair.cabotp@bristol-schools.uk Thank you
