Dear Parents,

## Remote learning

Thank you for all the support you are giving your children at home to help them continue with their learning during this pandemic. We are very impressed with how quickly you and your children have become so familiar and good at using Seesaw and Google classrooms. We will continue to provide learning in this way for the foreseeable future. If you have any problems accessing online learning, please talk to your child's teacher when they call you. We might be able to help.

Please see the link below for more information about our online learning and support we can offer.

## Online safety

We know that children are online for longer periods at the moment. Please continue to check what they are doing online. As you are aware, there is a lot of online content that is inappropriate for children. Some children have mentioned the app Tiktok to us. This app has an age restriction of 13+ as it has some material unsuitable for children under this age. Many other social media apps have similar restrictions. Please see the link below for further advice about keeping children safe online.

Best wishes

## Diary Dates

The government has said that schools will remain under lockdown restrictions until at least 8<sup>th</sup> March. As soon as we hear more information about when we are able to resume full opening we will let you know.

## Staffing

Miss Kondwani has had her baby. Her son arrived last week and we hear that both mother and child are doing well. Miss Quinton has now started her maternity leave. Mr Hodgkin and Ms Davies will continue to provide online learning for Year 2 pupils.

Thank you so much to everyone for your kind words and best wishes to me on the birth of my son. Both Otis and his mum are doing very well.

## Governors

Would you like to be more involved in supporting and leading the school? We have vacancies on our board of governors. Please see our governor section on the school website for more details. Alternatively, just speak to Mr Burton on the gate or email the main school office. We can arrange for you to talk to one of our current governors to find out more about the role.
