Friday 10<sup>th</sup> September 2021

Dear Parents,

Welcome to the new academic year at Cabot!

I am pleased to tell you that children are settling well in their new classes. Thank you for all your support helping with the new routines. A key update is that the classrooms now open for all children at **8.45am**. The outer gate will be unlocked before then and if you arrive early you are able to wait in our welcome area but classes will not open until 8.45am.

The school day will finish for all pupils at **3.15pm**. You are welcome to wait for your child from 3.05 am but you will not be able to collect your child until 3.15 pm. When you collect your child in the afternoons, please follow the one way system and leave by the gate at the side of our studio room.

For more information about our new routines, please visit our Covid 19 section of the website.

You've probably also noticed we are having some repair work done to our school roof. We can still carry on with our school routines safely whilst the work is being done. Please make sure that when you bring and collect your child to school your family are well supervised when on the premises.
